Word From The Top

December is going to turn out to be a very busy month for the A.A.R.C.! First and foremost is the club meeting on December 5th. We have a change in the room for that night also. We will be meeting at the YMCA on South Union, just for this month. A conflict in the scheduling at the hospital has put us out for the meeting. We will still be meeting at 7:30. It is going to be a great meeting, RICK SULLIVAN from Ohio Edison will be joining us to talk about SUPERCONDUCTORS, DON'T MISS IT! Then, don't forget to join our friends in Salem for their Pancake breakfast at St. Paul's School from 7 a.m. til 1.

On December 21, our annual Christmas Party will take place at Dawson's Restraunt, so get your reservations in early for that one. Dave & Kitty do such a tremendous job of putting this banquet together, it's a lot of fun. Then on December 22, the fox hunt will be going on. More details to come at the meeting. So gear up for a great December in the A.A.R.C., have a great Thanksgiving-See you at the Y!

1991 HAM OF THE YEAR

The recommendations for the 1991 AARC Ham of the Year are in and the winner will soon be announced. The Ham of the Year is selected from the list of recommended candidates by the previous year winner. Last years winner was me, KC3CL. The selected winner for this year is then verified by at least one board member and the selection is kept secret until the annual Christmas Banquet. At the banquet, the winner is presented with the "rotating" plaque with their name and call added to the growing list of AARC members that have made significant contributions to AARC and Amateur Radio.

If you would like to witness the surprise of this years winner then plan on attending the banquet and get a front row seat. It could be you!

Dave Buckwalter, KC3CL
