

K8LTG is the new prez!

Jim, K8LTG, our new President

The 2007/8 AARC elections are history, and there's a new face on board. After the smoke of the annual meeting had cleared, Jim, K8LTG had stepped forward to take the reins of the club for the next 12 months. Jim succeeds Joe, KC8TAC, who declined re-election, citing work pressures.

Jim has been a Ham for longer than I can remember. While it's been said that he knew Mr. Marconi personally, I only first met him in 1976, when he, and Frank, WA8WHP were teaching Novice classes in the old CD shack behind the armory.

Jim is retired from the Genie Company. I understand that he spends his days watching the hay grow, and finding volunteers for cutting & baling duty.

Other than Jim's election as president, not much else has changed. Your editor

in chief, (John, KD8MQ) was retained as Vice-Prez for another year. With school finally winding down, he looks forward to devoting more time to club activities.

Don Klingan, AB8KV, has agreed to another term as club Secretary. Don has been doing a fine job since taking over from Dave, W8UKQ (SK).

Mary Ann Royer, KB8IVS has probably held office longer than anyone in club history. She was elected as club Treasurer in October, 1994, and has been doing an outstanding job ever since. Very rarely, if ever, does she miss a meeting. On that rare occasion, she makes sure that her report is given to one of the other officers.

On the board of trustees, we flip-flopped a bit. Our outgoing trustee, Frank, WA8WHP was re-elected to the board of trustees, and is now our incoming trustee. Frank is the current Ham of the Year. And is a broadcast engineer at WDLI, channel 17.

As always, we'd like to thank the officers, and board of trustees for their hard work, and dedication to the club.

With the elections over, we can now look forward to a bright, promising new year ahead. Here's to 2008.

Editorial

By John, KD8MQ

Hello everyone. Looks like it's that time again. Time to start putting away the lawn furniture, and get out the rake, & the leaf blower. The end of Daylight savings time is fast approaching, so don't forget to change the battery in your smoke detector. While you're at it, why not invest in a carbon monoxide(CO) detector? I just bought one, for the peace of mind. Our furnace turned 50 years old this year. Having the CO detector allows us to breathe a bit easier.

Something else that is coming up fast is the Christmas party. It's scheduled for Saturday, Dec 8th, at Don Pancho's. Look on page four for more information.

Always a highlight at the Christmas party is the Presentation of the plaque for Ham of the Year. Time is running out. If you haven't already, please submit your choice for this years award to Frank, WA8WHP.

OK, time to switch gears. Our club picnic was held on September 29th. Turnout was a bit lower than I'd hoped for, but the weather was great. Hopefully, everyone had a good time "fellowshipping" (is that a word?). Anyway, Thanks to everyone who participated.

We've been playing with a new media projection system at church, which incorporates a dual computer display. If you've never tried this, you are truly missing a lot! I'm hoping to run an article on this in the near future. Right now, 32 Meg dual output video cards are selling on EBay in the \$10—\$20 range.

Well, that does it for this month. Stay warm!

John, KD8MQ

October Minutes

October 3, 2007

The regular meeting of the Alliance Amateur Radio Club was held at the Alliance Community Hospital on October 3, 2007 at 7:30 PM with club president Joe Young, KC8TAC presiding. The Pledge of Allegiance was recited, followed by introductions. There were 14 members present, along with Miriam Sanor and Tom Steele.

For the secretary's report Don, AB8KV noted that the September minutes were in the newsletter. With nothing else currently to announce, the secretary's report was approved on a motion by John, KD8MQ and seconded by Jim, N8XTJ.

Mary Ann, KB8IVS gave the treasurer's report. The report was approved on a motion from George, K3GP and seconded by Frank, WA8WHP.

Old business:

Vice president John, KD8MQ reported on the club picnic held on September 29. About 30 people attended, with very good weather and very good food and fellowship. He suggested that perhaps scheduling next year's picnic for the same time frame at the end of the month of September might be a good idea.

Don, K8OMO announced that he had re-confirmed the reservation at Pancho's for the club's Christmas party. It is scheduled for December 8 at 6:00 PM. The cost will be the menu item plus \$4.00.

George, K3GP noted that the amateur radio browser extension discussed previously only works with the Firefox browser.

John, KD8MQ reported on the newsletter competition recently completed. He also noted that the deadline for nominations for ham-of-the-year is the next club meeting. Nominations are to be given to Trustee Frank,

WA8WHP.

Jerry, KG8RN reminded the club about the township safety awareness day coming up on October 6.

Vice president John reminded the club about the Pennsylvania QSO party coming up on the weekend of October 13. He then requested the use of the club's HF rig as last year. His request was approved on a motion from Frank, WA8WHP and seconded by Howard, K8DXR.

President Joe then asked for a motion to allocate \$100 for door prizes at the club Christmas party. A motion was made by Jim, K8LTG and seconded by Don, K8OMO. After some discussion, it was decided that the top prize would be \$25, followed by 2-\$10 prizes with the rest at the \$5 level. The motion was then carried by a voice vote.

New business:

The new business for this meeting was the election of officers for the coming year.

A motion to close the regular meeting was made by Don, AB8KV, seconded by Howard, K8DXR, and approved.

The election portion of the meeting was then turned over to Trustee George, K3GP.

For President the nominees were:

- Howard, K8DXR by Joe, KC8TAC (declined).
- Joe, KC8TAC by Jerry, KG8RN (declined).
- George, K3GP by John, KD8MQ (declined).
- Jim, K8LTG by Don, K8OMO (initially declined).

After some discussion, Jim, K8LTG agreed to accept the nomination. The nomination was seconded by Frank, WA8WHP.

Don, K8OMO then moved that nominations for President be closed and this was approved by a

voice vote along with approval for the nominee.

For Vice President, the only nominee was John, KD8MQ nominated by Frank, WA8WHP. This was seconded by George, K3GP. The nominee accepted and was then approved by voice vote.

For Treasurer, the only nominee was Mary Ann, KB8IVS nominated by John, KD8MQ and seconded by Joe, KC8TAC. The nominee accepted and was then approved on a voice vote.

For Secretary, the only nominee was Don, AB8KV by Don, K8OMO and seconded by Frank, WA8WHP. The nominee accepted and was approved on a voice vote.

For the outgoing Trustee position, the only nominee was Frank, WA8WHP by John, KD8MQ and seconded by Joe, KC8TAC. The nominee accepted and was approved by a voice vote.

The meeting was then adjourned at 8:30 PM on a motion by Frank, WA8WHP and seconded by Jim, K8LTG.

Minutes respectfully submitted by Don, AB8KV, Secretary.
