AARC Meeting Announcement

The July Meeting of the Alliance Amateur Radio Club will be held on July 13th in the Café Conference Room at the alliance community Hospital. The Hospital is located at 200 E. State St., Alliance. Our meetings begin at 7:30PM.

No formal program has been planned for this month.

At 5:45, we meet for dinner at [Frank's Alliance Family restaurant](#) at 428 E. State St. All are welcome to join us for the best meal in town! Frank's is only a short drive (or walk) from the Hospital.

Relay For Life Special Event

On June 4th, we set up a station at the Alliance-Louisville Relay For Life[®], which was held at the Carnation Mall. We made a few contacts, and hung out. It wasn't bad for a first time, but there's lots of room for improvement should we participate next year. Thanks to all who showed up to lend a hand.

AARC Field Day Held at Marlington Middle School

It's still too early to expect results from this years Field Day effort, but we had a good crowd, especially for dinner. In my opinion, the big challenge for the future will be to see how many of those folks we can convince to get on the air.

Full results will be in the next issue of the Zero Beat.

Rambling

Hi everyone, I've not much to report this month. I lost a week to problems with the shack computer, but everything is coming back to normal.

Field Day was great. The Extended Double Zepp that I built for 40 Meters performed well. Six Meters finally opened in the wee hours of the contest, er emergency preparedness drill.

I've resurrected the club mailing list. Now, announcements of interest to club members can be quickly disseminated via e-mail without going through me.

And that's about it for this month.

73 all, DE John, KD8MQ
