AARC Meeting Announcement

The November Meeting of the Alliance Amateur Radio Club will be held on November 9th, at the Alliance Community Hospital.

The program for this month is **Homebrew Night!** Have you built, created, or restored, something over the last year? If so, please come to the November meeting, and show it off. If you remember last years Homebrew night, we had a severe shortage of entrants. You have my word that it will not repeat this year! I've secured promises from a couple folks other than myself that they will bring projects to share.

The fun will begin after the meeting on November 9th.

The Alliance ARC meets on the 2nd Wednesday of each month at the Alliance Community Hospital. We usually meet in the Cafe Conference room, which is just off the cafeteria, but occasionally, we do get bumped to another meeting room. Should this happen, we will post signs to direct you to the proper room.

We hope to see you on the 9th!
