SERVING ALLIANCE AREA HAMS

ZEROBEAT

VOLUME 6 NO. 7

JULY 1992

Final Checks Made on Field Day Preparation

And the Countdown Begins...

Field Day begins at 1800 UTC Saturday, June 27th or 2 p.m. local time.

As of this writing, we know the following from Asst. FD Chairman Allen Dicks.

1. We will have somewhere between 4 and 7 stations on the air. Those who have committed include: Dave Buckwalter KC3CL, Allen WI8T, Larry Ashburn KE8VE, John Myers WX8G. Those who are definite maybe's are: Dan Mutigli N8LVO, Jim Ferguson N8DZA and Jim Miller N8MAA.

2. The Field Day site is going to be a little more cramped this year so check with Allen WI8T for station assignments.

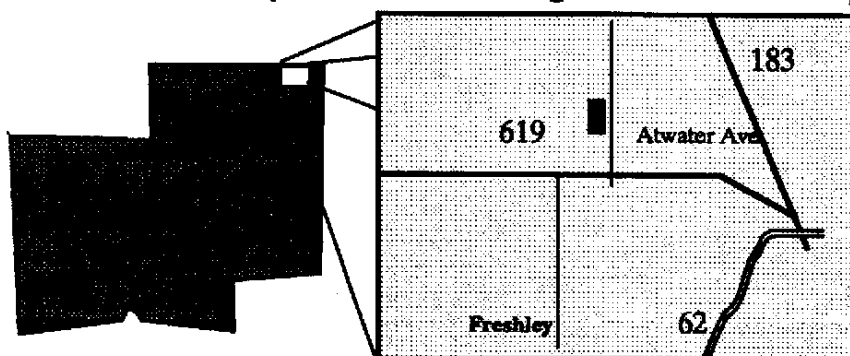

3. The callsign we will use is Allen's call, "WI8T."

NEXT MEETING

Thurs., July 2
7:30 p.m.

New Field Day Site is Lexington Elementary

Directions to the new Field Day site are as follows: from the west, take Rt. 62 east and get off on Beeson and go west; turn right on Freshley; then right at the stop sign (619). Turn left at the first road (the sign is marked Edison and Atwater Ave); 100 yds. on the left.

4. Setup starting time will be 9 a.m. Saturday morning.

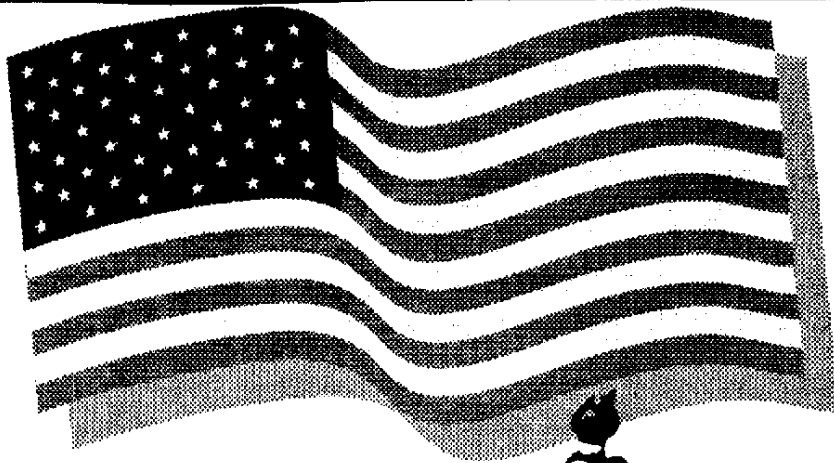

5. There will be a covered dish dinner at 5:30 p.m. Saturday.

6. People are needed for takedown at noon on Sunday.

For more info about Field Day, contact Allen at 875-4344. Dave Buckwalter, FD Chairman, can be reached at 821-4409.

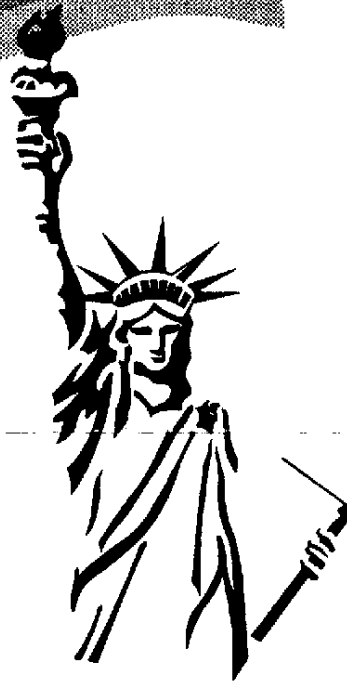

ZEROBEAT: The art of all parties being on the same frequency.

FIELD DAY Q & A'S

Q: I have a Tech license. What frequencies may I operate on during Field Day?

A: You may operate on Extra Class frequencies if there is an Extra Class control operator present at the control point. You may operate on the Advanced frequencies if an Advanced class is there, etc.

Q: What if an unlicensed person wants to operate the station?

A: An unlicensed person can operate as a Third Party as long as a control operator is present AND he contacts only stations that have Third Party agreements with the United States (like North and South America for instance).

PRESIDENT'S REMARKS

By the time you read this, the garage sale will be over. Thanks again to all those who helped out. The money we make on this project will help with our expenses for Field Day and the Mall Show.

At the July meeting of the AARC, Frank Sanor WA8WHP will give the program on Army Military Affililiate Radio Service (MARS). You sure don't want to miss this one.

On Sunday, Aug. 16, the city will again hold its annual triathlon and Ed McNabb has asked the Amateur Radio Emergency Service for help. We didn't see a lot of hands go up for volunteers -- could it have something to do with the fact that the Warren Hamfest is the same day? But we still need operators. Ed has supported our club to the best of his ability and now it is our turn to help him. If you are not going to the hamfest, how about volunteering for a couple of hours?

In addition to volunteers for the triathlon, we need a new net manager. If you are interested, talk to John WX8G about it.

Pam N8LAK

COUNTY-WIDE PICNIC PLANNED

The Triangle Amateur Radio Club will be hosting its first annual Columbiana County Radio Club Picnic at Beaver Creek State Park on Saturday, Aug. 15 starting at 4 p.m. The covered dish dinner is open to all area amateur radio clubs.

If you are going to a hamfest, let Jack know: sell buttons for club

Jack Bennett W8WEN reported that button sales are up to about 37 percent of the total investment the club invested in the venture.

We need more persons to take an active interest in selling buttons. If you are going to a hamfest, let Jack know and he will get you some buttons to sell at the hamfest.

Postscript

By Dan Mutigli N8LVO

In case some of you were wondering, we had to curtail distribution of newsletters last month because of a hardware glitch. Dave Buckwalter's computer went poof and so did the extended mailing list.

Well, I hope you've enjoyed this edition. I'd like to thank John and Pam Myers for their help in getting it together and mailing it out to our membership.

Next month, the new 1992-1993 roster will be published along with a new section called "Computer News."

If you have any questions or suggestions, please let me know. I've found that a good eyeball QSO gives me a lot of ideas for future newsletters. 73 and have a good day.

LAST MINUTE BRIEFS

ASHTABULA COUNTY HAMFEST

The Ashtabula County ARS is sponsoring a hamfest and computer show on Sunday, July 26 from 8 a.m. to 3 p.m. at the Ashtabula Branch of Kent State University. Admission is \$4 at the door. Talk-in on 146.715 minus. Mobile check-in prize.

Worldradio

UNIVERSAL RADIO HAS MOVED

Universal Radio of Columbus has moved. Its new store is at 6830 Americana Parkway in Reynoldsburg.

Directions are: take the Brice Road exit off of I-70 and go south; turn left at the first light which is Tussing Rd., go 3/4ths mile to Americana Parkway. It is the second building on the left.
