

The Week ahead (August 26, 2024)

A weekly newsletter from the Alliance Amateur Radio Club

First up

This past weekend was the Ohio QSO Party. The Alliance club was again well-represented. I counted 5 AARC participants. This included (besides myself), KD8BBK, KF8AHK, K8DXR, and KE8ZLT on CW no less! What a great weekend it was.

This weekend is the **Stark County All Club Picnic**

It's coming up on August 31st at Butler-Rodman Park in the JayCee Pavilion. The time is 10am - 3pm

Our club will be providing hot dogs, & hamburgers, as well as fresh corn on the cob.

Please bring a dish to share

Elections

Elections are coming up on October 9th. All offices are open for nominations except for two of the trustee positions.

If you'd like to throw your hat in the ring, contact one of the club trustees. They are listed at the end of this newsletter. .

Castle Run For Hope

We will again be assisting with communications for the Castle Run for Hope on Labor Day.

If you would be interested in assisting, please contact me at 330-936-5021, or via Facebook Messenger, or e-mail to one of my numerous addresses. The best one is wg8x.radio@gmail.com.

Stark All County Club Picnic!

*Join us when all clubs come
together for lunch and fellowship!
Bring a dish to pass and your appetite!*

**August 31
10am - 3pm**

**Jaycee Pavilion
At Butler-Rodman Park
West State St. Alliance**

Classes

Tech classes are coming up in September. You can learn more, and sign-up by going to our website at <https://www.w8lky.org/licensing/licensing-classes/>

Wednesday Morning Coffee Break

We gather each Wednesday morning around 9 AM at the Alliance Sheetz on W. State St for good coffee, and conversation. Hope you can join us.

The Alliance Amateur Radio Club strives to

- Promote fraternalism
- Educate and advance radio knowledge and individual operating efficiency
- Provide public service communications in the event of disasters or other emergencies
- Conduct club programs and other activities that advance the general interest
- and welfare of amateur radio in our community, county, and state

What's up with the ARRL?
